Hardwood Hills Family Enduro

Saturday, May 1, 2010

Come out for the third annual Hardwood Hills Family Enduro. The event will be separated into two events. The first will be a Pee Wee race for the 6 and under class. This will be a short course that will be well supervised. The second part will be an on course 10 mile event that will include checks, resets and tests. The course will be over fairly easy trails and fire roads, but will require some riding skills. We will have an X rider class for each rider on the course. There will be four classes.

X riders are needed and pay no entry fee. Each X rider will be assigned to a course rider. No Quads please.

Do not be concerned about the timekeeping. We will have marshals on the course that will assist at the resets. No computers allowed. A wrist watch is all you need.
